“We’re More Than REALTORS®...”

On May 27, 2008 Long Beach area Realtors® met with local school board officials to present an opportunity for Ecocardiogram screening to 8th graders considering athletics. On June 24, 2008, the Long Beach School Board approved the project. Testing should occur in mid-October, 2008. Pictured below (l-r) are Arnie Epstein, Director of Health & Physical Education for the Long Beach School District; Dr. Fred Bierman,

Chairman of Pediatric Cardiology at Schneider Children’s Hospital; Barbara Young, Long Beach School District Nurse; Merrick Realtor and LIBOR Director Susan Helsinger, Founder and President of the Jason F. Gruen Research Foundation; Long Beach Realtor and LIBOR Director Neil Sterrer, Co-Coordinator of the project along with Long Beach Realtor, LIBOR Director and Public Relations Chairman Joe Sinnona.
